## Benefits of a languages Scholarship

The British Council are back and are offering, 175 scholarships, continuing professional development support and £27,000 of funding to talented individuals.

### How to Apply:

Applications for the languages teacher training scholarship will **open** on **Wednesday 4<sup>th</sup> January 2023**. The **deadline** to apply is **Tuesday 28<sup>th</sup> February 2023**.

A **second** round of applications will be announced in **May 2023**, should places **not** be filled. However, they strongly recommend you submit your application **as soon as possible**.

You can apply for the scholarship **before or after** you have secured your teacher training place. Please note that the British Council is **not** an ITT provider and receiving the British Council scholarship does not secure you a place with a teacher training provider. It is your responsibility to secure your place on an eligible course. Only **non-salaried** courses leading to **QTS** are compatible with the British Council scholarship.

The number of training places available each year is limited, and available places are expected to fill up well in advance of courses starting for the **academic year 2023/24**.

They will be holding application advice webinars in **December 2022**, details to be announced shortly.
